

“Any organization with a Return to Work program that processes more than a hundred claims annually absolutely needs the Boomerang service.”

Tony Su
President - TCS Risk Management Services

Simplify & Maximize Your Return To Work Program With Boomerang

Boomerang is a cloud-based subscription service that is revolutionizing the efficiency and cost savings potential of Return to Work (RTW) programs across the country in both public and private sectors.

Some of the benefits of using Boomerang include:

- Seamless integration with iVos
- No upfront capital expenditures
- Easily monitor & manage your RTW Program
- Track key performance metrics
- Dramatically reduce disability days
- Increase cost-savings
- Pay-as-you-go subscription model

Savings and Opportunity Costs		
Total Savings	Total Opportunity Cost	Total Days Savings
\$581,381.21	\$63,547.18	5611

Savings and Opportunity Costs by Division

A Significant Return on Investment
Boomerang not only helps you manage and track Return to Work, it provides the cost savings metrics that help you demonstrate the ROI of your Return to Work program.
